

International Conference on **Calcium** **20** **Aluminates** **26**

Sponsorship Proposal

**Shape the Industry.
Sponsor Innovation.**

8 to 11 June 2026

SwissTech Convention Center 

Join one of the leading events in the field of Calcium Aluminates.

This conference brings together top experts from academia and industry working on calcium aluminates to discuss scientific advances and address global challenges related to sustainability and the environment.

Calcium Aluminates 2026 is the sixth conference devoted to the science and application of calcium aluminates.

From premium exposure to targeted engagement – choose the sponsorship that align with your goals.
